

Newsletter

Issue 1 March 2010

Welcome to the first quarterly edition of the Luxury Interiors Newsletter. I will just take a moment to introduce myself, my name is Michelle Grey, I am married, on the wrong side of 40 and have twin girls who are 8 years old.

I have been running Luxury Interiors since 1993. We are a Warrington based family business that covers Warrington and the surrounding areas.

Luxury Interiors provides:

a friendly service within your own home
advice on style, design & colour

Choose from 100's of fabric samples

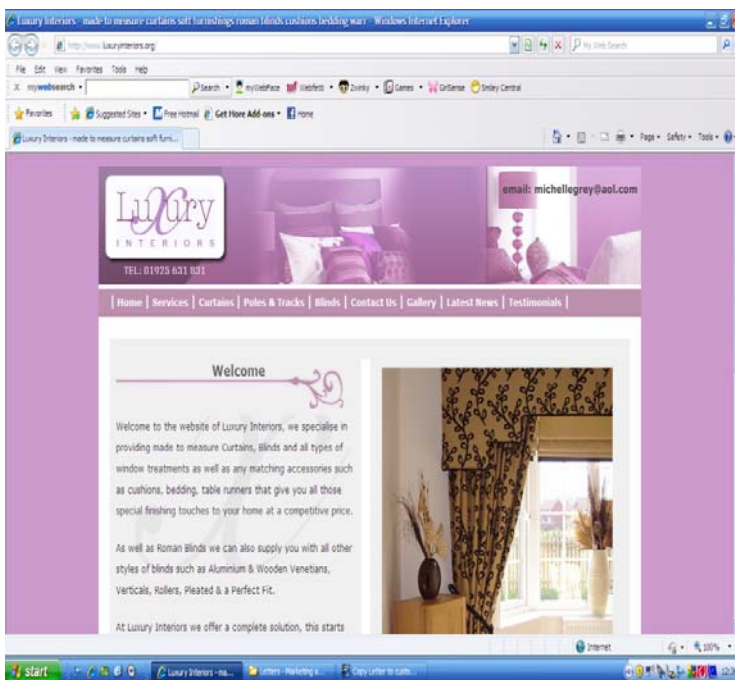

Full measuring service

Detailed written quotation so you don't
make a decision on the spot

As well as having 100's of fabrics for you to choose from if you are finding it difficult to visualise how your curtains, blinds etc will look we have samples of our work for you to touch and feel what kind of quality we provide our customers.

www.luxuryinteriors.co.uk

We now have our own website www.luxuryinteriors.co.uk which we aim to keep all our customers aware of new products & services that become available, as well as displaying our work in the gallery and showing customers testimonials. So next time you have 10 minutes free (I hear you laughing, I know I'm a mum as well) please sit down with a coffee and have a browse through our site, **you may even see your curtains or blinds on there.**

Special Offers for the Month of March

There has been a change in the weather over the past week, we have even seen some sun, hopefully the white stuff is behind us.

We are now 4 weeks away from the Easter Weekend, this is the first big weekend of the year when a lot of households start to think about the dreaded DIY.

If you are one of those households and have been thinking about a new blind for your bathroom or kitchen or you are decorating your bedroom or living room and think you would like a new pair of curtains then why not give us a ring.

To help we have a special offer of 10% off any of our fabrics you choose for the Month of March.

New online Shop

Currently we are working on setting up an online shop selling a wide range of curtain poles, tracks & blinds

We will be concentrating on offering our customers a wide range of styles & prices offering an alternative to the local DIY shop with a focus on value for money.

Over the coming months we will keep you informed on our progress and especially our Go Live date.

Other ways you find out what is happening

As well as our website you can also follow us now on **Twitter & Facebook**, so if you use any of these networking sites please look for us next time and start to follow us. We will update you with any special offers we have at the time or inform you of any new products that become available on the market.
